

Hello Experimenters!

The World Cup is coming!!! Not the men's tournament, but the real deal World Cup that I look forward to most of all. I have been trying to inject all the content directly into my veins, but in the meantime, I'll just settle for listening to seemingly endless hours of preview podcasts in preparation to watch the Panamanian women make their debut on the biggest stage and cheer for the USWNT to make history.

One last note, it looks like I'm out of media work by subscribers to showcase in the newsletter. This could possibly be the last week for the summer showcase, and I will wrap it up with a complete list to round things out before I shut the form down.
