

Hello Experimenters!

I'm very excited to be back and writing to you from my monthlong residency at the Interbay Film Society in Seattle. In addition to teaching a couple of workshops, I'm also plugging away at some film work, making great use of my old friend, the optical printer, and working in close contact with my favorite collaborator, Hogan Seidel.

Drop me a line while I'm out here. It's really good to be back in your inboxes on your feed.

Also, enormous thank you to Martine Granby for checking all of the old links and helping me get back to this project.

With love,
Gabby
